

CITY OF ORR
± ORDINANCE 93-01
ACCEPTANCE OF SANITARY WASTE
FROM OUTSIDE SOURCES

The City Council of the City of Orr does hereby ordain:

1. General provisions.

A. The City may accept sanitary waste from sources whose origin is outside the City limits.

B. The City retains the right to refuse waste from outside sources at it's discretion.

C. All waste brought to the City for dumping, will be dumped at the Orr Tourist Information Center or at a location specified by the City council or authorized City personnel.

D. Under no condition will hazardous waste be accepted from outside sources into the City waste water stream and treatment facility.

E. All acceptance of outside sanitary waste will be done by the City during normal business hours of the Orr Tourist Information Center or by special arrangement through the City offices.

2. Payment

1. The cost for recreational vehicles who dump sanitary waste at the Orr Tourist Information Center will be \$~~20~~0.00 per occurrence or an amount deemed by the City Council.

2. All other persons bringing outside sanitary waste which is dumped into the Orr waste stream and waste treatment facility will pay \$50.00 per 1000 gallons, which will not be pro-rated, or an amount deemed by the City Council.

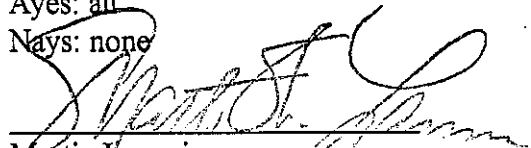

3. All payments will be made to the City in cash or by check. Payments will be accepted by the attendant at the Orr Tourist Information Center or at City Hall.

This ordinance shall be published in the City's official newspaper on October 25th, 1993.

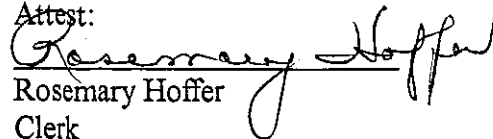

Effective Date: October 25, 1993

Date adopted by council: September 13, 1993

Ayes: all
Nays: none
