AMENDING ORDINANCE 98-1 ORIGINAL ORDINANCE #90-1

Changes enacted by the 1997 legislature require counties to establish ordinances that regulate Individual Sewage Treatment Systems county wide including systems located in incorporated areas unless the incorporated area has adopted ordinances to comply with MN Statute 155.55 and are at least as restrictive as county ordinances. The city previously established Ordinance 90-1, "Establishing Sewer Use Regulations". Article IV, Sections 1 through 7 address private wastewater disposal.

The following amendments are offered to ordinance 90-1

ARTICLE IV

Section 2. delete previous text and replace with the following:

Prior to the commencement of construction of a private wastewater disposal system, the owner (s) shall first receive a permit from the St. Louis County Health Department. The application for such permit shall be made on a form furnished by the county, which the applicant shall complete and supplement with any plans, specifications, and other information that is deemed necessary by the county. Installation, operation and maintenance of all private wastewater disposal systems will be done in conformance with all county, state and federal procedures, regulations and laws.

Section 3.	revoke all language of section
Section 4.	revoke all language of section
Section 5	no changes
Section 6	no changes
Section 7	no changes

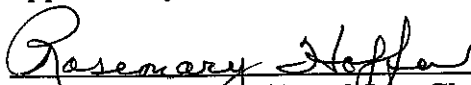

Adopted February 9, 1998 on a motion By: Frances Novak
